2. Name of District Grant: **Trailer for Search & Rescue**
3. Briefly describe your project (who did what, when and where did project activities take place?) in 100 words or less. **The club met with TF S&R at a meeting and spent time learning about the equipment and how it helps the community. We learned about the cost of the items and their use cycle. We purchased an enclosed trailer for TF S&R to haul their side by side in, it is 6 months out of being delivered but we will have it wrapped and include the Rotary logo and basic club info on the trailer. They will take this trailer to many of their rescues and fundraising events. We also had them at our fundraising event to educate the public about what they do.**
4. In one brief sentence: who were the beneficiaries of the grant activities and how many of them were there? **Twin Falls County Search and Rescue had 4 people at our event to display what they do and explain their needs to the community.**
5. How many Rotarians participated in the project? **8** Briefly tell what did. **Spent time with S&R to learn about the equipment and how they use it to help those in need.**
