Rot	tary Club	_Darien		
Pro	ject Title	Food for Kids		
1.	Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred. >>> The Darien club purchased kid-friendly, shelf stable food for approximately 120 students in Darien, Willowbrook and Burr Ridge schools. We held 6 packing nights. At each night, groups of volunteers helped unload the truck, break down bulk packaging and put food into one-kid, one-weekend packages. These packages were then distributed to students by the schools counselors on Fridays.			
2.	How many	Rotarians participated in the	project? >>> 25	
3.	What did they do? Please give at least 2 examples. >>> Rotarians recruited volunteers, organized them at the packing night, coordinated with the schools to get counts of food needed and get it delivered, bought food and selected the menus.			
4.	How many non-Rotarians benefitted from this project? >>> 120. Note – numbers were down this year due to increased government assistance. This led to a reduced amount of food to purchase.			
5.	What are the expected long-term community impacts of the project? >>> kids are able to start school on Monday not tired, hungry and/or sick. Thus they have a better chance of not falling behind, especially in the early grades.			
6.	If a cooperating organization was involved, what was its role? >>> not applicable			
7.	-	ow did you share the news of your project? ? >>> articles on club and personal Facebook sites, Patch.com rticles, appearances at local community events.
