Grant Information (to be completed by Primary Contact Person or other authorized club member)

1. District Grant # (check website for #): P-3832 Name of Club: Rotary Club of Boise
2. Name of District Grant: Peace Pole for Rotary WPP
3. Briefly describe your project (who did what, when and where did project activities take place?) in 100 words or less. As noted in the Addendum to Project Description, the original Peace Pole project has been excessively delayed. Accordingly, we have substituted our support of Whitney School. During the winter and spring of 2022, our club partnered with the Whitney School Parent Teacher Organization (PTO) on a project to paint beautiful outdoor scene murals in the alcoves of the classroom hallway "wings" at Whitney School. Whitney is a Title One elementary school in Boise and probably the most challenged in terms of socio-economic demographics. The murals were a top priority for the school and PTO to improve the alcoves as a learning environment and enhance pride among the students in their school. The murals were completed in April 2022. Our club provided \$3,700 in funding for this project. In addition, our club has been actively involved with hands on activities at the school, such as playing the Spot It game at "game day" with the 2nd graders.
4. In one brief sentence: who were the beneficiaries of the grant activities and how many of them were there? The elementary students at Whitney School, comprising of several hundred children.
5. How many Rotarians participated in the project? Three directly in the mural project, plus about 10 in associated activities at the school, such as interacting directly with students at events such as Game-Day.
6. If a cooperating organization(s) other than the beneficiary was involved, what was its role? This was a collaboration between the school staff, the Parent Teacher Organization (PTO), and Rotary. All parties helped decide the scope of the project, selection of artist, and how to partner in the funding.
