Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)?
Three local Rotary Clubs each contributed funds that was matched by District Grant Funds for a total of \$9,837. These funds provided approximately 4,729 books plus mailing through the Dollywood Foundation for children age 0-5 living in the Verde Valley. Enrolled children receive a free, age-appropriate book each month mailed directly to their home. Enrollment varies each month, however, we currently have 1,930 enrolled. Over 2,100 children were served last year. During the COVID-19 Pandemic, we were an "essential service" and continued to provide books through the mail.
2. When (dates) and where (city, state and country) did project activities take place?
July 1, 2021 ongoing; Cottonwood, Camp Verde, Clarkdale, Rimrock, Cornville, Sedona, Village of Oak Creek, Jerome, Arizona
3. Who were the beneficiaries? The Verde Valley Imagination Library (VVIL) currently serves 1,930 children ages 0-5 in the Verde Valley and Sedona. These children receive an age appropriate book each month in the mail from Dolly Parton's Imagination Library. The VVIL promotes this program to the children of the Verde Valley in various ways, in order to increase the enrollment. We enroll children at libraries, the local hospital when babies are born, and local preschools.
4. How many Rotarians participated in the project? 10+
5. What did they do? Please give at least two examples. Rotarians from local clubs have served on the VVIL Board. Rotarians have also assisted in Fundraising and Sponsorships. Rotarians have also promoted VVIL locally.
6. How many non-Rotarians benefited from this project? 1,950-2,100 children and their families
7. What are the expected long-term community impacts of the project? The Imagination Library improves kindergarten readiness for children enrolled in the program. Assuring kindergarten readiness has a huge impact on future school success. The program will continue to promote

literacy in babies and young children. The program will help to improve reading levels in our community as children attend school.

8. If a cooperating organization was involved, what was its role? Cooperating organizations include Northern Arizona Healthcare's Verde Valley Medical Center OB nurses, community libraries, Head Start Preschools, other local preschools, local school districts, home visitation program. All of these organizations provided promotional materials to children, teachers, administrators and community members and helped to sign up the children when requested.
