Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)? A total of \$5,000 was donated to Gateway Community College to fund eight (8) scholarships for entry level medical students. They will receive professional level medical instruction for entry level medical careers.

When (dates) and where (city, state and country) did project activities take place?

April 11, 2022 at the executive offices of Gateway Community College, Phoenix, Arizona USA

Who were the beneficiaries? The eight (8) students that will be presented with the medical school scholarships.

2. How many Rotarians participated in the project? All members of the club participated in the project.

What did they do? Please give at least two examples. Through our charitable fundraising projects, our club members raised the \$2,950 required to fund this project (combined with our grant of \$2,050 from District 5495. Mike Maurer, Fred Gorrell and Paul McNamara presented the \$5,000 check to the President and staff of Gateway Community College. All Rotary club members will also participate in the selection of the winners of the scholarships.

3. How many non-Rotarians benefited from this project? Eight (8) entry level medical students at Gateway Community College.

4. What are the expected long-term community impacts of the project? The benefits to the local community of educated medical practitioners is impossible to measure in terms of potential lives saved and treatments offered. Trained medical personnel are in short supply and in great demand.

5. If a cooperating organization was involved, what was its role? No other organization was involved in this project.
