Hi Art,

Attached are all you need (hopefully) to successfully close out our 2021 Save the Family Starter Kit Matching Grant. Some of the Walmart receipts look pretty homemade. That is because I was able for the first time to order large numbers of relatively expensive items like cookware and dinnerware directly from Walmart. I guess they open it up to any club with inventory because I got items from as far away as VT and as close as Yuma. The big surprise was you place your order, they ship what inventory they have and charge you for what they ship, but you do not get a shipping receipt. So i had to go back online into "orders" to find what i ordered and note on the original order form how many i actually received and use that as a receipt. STF 2021 Starter Kits.docx is a spreadsheet of all items included in the starter kits, including the moving boxes. STF 2021 Details is also a spreadsheet showing correlation of the 60 items per category and the receipt number. Numbers 1-44 are a scan of the individual receipts. If my calculations are correct, our cost for these 60 Starter Kits was \$4175.28. It is time for your eyes to see if you find any errors. If so, let me know and I will adapt.

Thank you,
 Wayne
