3. Describe the grant and list any changes that might have occurred:

This grant was used to help fund the creation of a veterans memorial bench located at the Veterans Memorial Park in Holdrege, NE. Two primary changes occurred since the application of the grant. The primary change is the timeline due to disruptions related to Covid-19. Secondly, the cost of the project was far less than anticipated, and to meet requirements set up by the District Grant it was decided to also create a memorial stone commemorating Holdrege Rotary Club's 100th celebration. The two are being done by the same company, located in the same park.

4. Provide any lessons learned in implementing this grant and how this will improve future grant funded projects:

The other requirements of this grant and what it can be used on is quite limited compared to other grants.
