Dear Ms. Fink:

The following is a 2021 financial recap and a summary of the impact that has been made with the assistance of the Norwalk/Santa Fe Springs Rotary Club \$2,200 donation towards our annual Back to School Backpack Program. Due to the Covid-19 Pandemic our program was still able to provide backpacks to 175 children by implementing a drive thru backpack pick up. Each child received a backpack with the required school supplies for their age group/school grade. We also provided ice cream as part of the program to all car participants. Although many items were generously donated through various school supply drives in the community, a large portion of the school supplies distributed were purchased through monetary donations such as yours.

Major purchases with your donation included: backpacks, variety of school supplies. The table below illustrates expense amounts for each respective item. You will notice that the Norwalk/Santa Fe Springs Rotary Club donation supports 81% of these two expenditure items.

School Supplies	\$1,613.21
Backpacks	\$1,106.95
<hr/>	
Total Expense	\$2,720.16
Rotary Club International Donation	\$2,200.00
	81%

The City of Santa Fe Springs is greatly appreciative of your support and would like to warmly thank the Norwalk/Santa Fe Springs Rotary Club, as you are our largest donor for this program on an annual basis. It is my hope that with your help, the City of Santa Fe Springs can continue to assist families in need during the holiday season for many years to come. Should you need any further information or have further questions I can be reached at (562) 692-0261.
