Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)? Based on the 'grocery list' provided by the volunteer manager of the food bank storeroom, I purchased and delivered the food items on the list over the year starting in September, 2021.

When (dates) and where (city, state and country) did project activities take place?
These activities took place in Fountain Hills and Scottsdale, AZ, USA

Who were the beneficiaries? Beneficiaries included more than 1000 adults and children that qualified to receive foodstuffs from the Extended Hands Food Bank based on their income.

2. How many Rotarians participated in the project? I was the primary purchaser of food but the entire Club can be counted...we have about 50 members
3. What did they do? Please give at least two examples. Raised funds that were distributed to the Four Peaks Rotary Foundation with three charity events...one was the Reverse Raffle, the other the Pretzel Booth at the Octoberfest and the third was the 23rd Annual Charity Golf Event
4. How many non-Rotarians benefited from this project? As I mentioned in question #1 the children and adults that the Food Bank Serves.
5. What are the expected long-term community impacts of the project? Those who are food insecure who have received services would have the needed resources to help nourish themselves and their families. Note that this project is not designed to be self-sustaining.

6. If a cooperating organization was involved, what was its role? I consider The Extended Hands Food Bank as the cooperating organization...they administer the program, receive, warehouse, have volunteers that package and distribute the food. They have published open hours four days a week
