

Wilmington Sharefest 2021

Wilmington Sharefest 2021 is set for August 14 at Wilmington High School. The purpose of Sharefest is to bring together and highlight available social services for those in need. Even if you do not need the services, it is still good to know where you might send one for assistance. Especially highlighted are Kuzma Care Cottage and Our Caring Closet. Sponsors for the event include the Wilmington Pastors Association, Wilmington Rotary, Lions and Chamber of Commerce. The event will provide an opportunity to receive food, clothes, books and even a job interview! We are also pleased the Will County Dental Van and haircuts will be available to provide care to those especially 12 and under. The event is open to all and we will need volunteers; cash donations would be appreciated. If you would like to volunteer call Steve Francis (815-347-3790). To make a cash donation, a check can be made to FUMC with "Sharefest" in the memo line.
