Rotary Club _____ Wilmington _____ **District Grant #** P-3906 _____

Project Title Wilmington Sharefest 2021 _____

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.
 The event took place on the Wilmington High School grounds. Though the main activity was to distribute 60 pallets of food, including meat and dairy, the event included a job fair, haircuts, bike, books and clothes give-away. The beneficiaries were not screened, however, the mostly Facebook invites reached the clients of our local food pantry (Kuzma Care Cottage) and clothes closet (Our Caring Closet).
2. How many Rotarians participated in the project? Six
3. What did they do? Please give at least 2 examples.
 Packed food for distribution. Distributed the food. Set up books for give way. Repaired bikes for give away.
4. How many non-Rotarians benefitted from this project? None
5. What are the expected long-term community impacts of the project? The event brings all of the social services available to residents to one location for one day. It's the only place/day that this happens. The "non-users" benefit by seeing everything that is available and therefore, in a better position to refer someone.
6. If a cooperating organization was involved, what was its role? This is a multi-group event. The local church pastors provide much of the "glue."
7. How did you share the news of your project? There was one large press release as well as Facebook posts. There was also an after event news story in the local paper.
