Dear Ramon and Rotary Club of Moraine Valley,

We at BEDS Plus Care wish to thank Rotary Club of Moraine Valley Foundation for your continued support, which has grown to \$1,382.00 over the years, and for the most recent contribution of \$882.00 on March 23, 2022 in connection with Match-A-Meal at Jack & Pat's. This will help supplement our clients food needs.

As an organization that has contributed to BEDS Plus in the past, you are familiar with our mission to help vulnerable individuals stabilize their lives through housing and supportive services. No doubt you also are familiar with our emergency shelter program, now over 30 years old. I'd like to take a moment to share some changes we have made to the shelter program as a result of COVID-19.

Recently, emergency shelter has consisted of a permanent block of rooms at area motels where we can immediately place those who are literally homeless. Our goal is to move each client out of shelter within 90 days through placement in one of our housing programs or other positive exit, such as moving in with family. Chronically homeless clients with disabling conditions will receive temporary housing at the new Summit Service Center, scheduled to open by Summer 2022. Families who are homeless are placed in apartments leased by the Agency, providing children a homelike atmosphere.

We hope our rotating shelter system with a network of churches and volunteers can one day return. In the meantime, we are doing everything we can to expedite housing with new funding we have received from federal, state and local sources. Your support means that we can combine flexible private and restricted public funds to achieve the best outcomes for our clients.

Our work would not be possible without generous donors like Rotary Club of Moraine Valley Foundation.

Sincerely,
