Project Title Rotary Scholarships

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries? List any changes that might have occurred.

The Downers Grove Rotary Club awarded service scholarships to High School Students. We interviewed two nights to choose our winners. We had seven questions that were asked including what does "Service Above Self" mean to you?

2. How many Rotarians participated in the project? Seven
3. What did they do? Please give at least 2 examples.

Some of the club members interviewed the students. We had a member make out certificates for each student. Two members organized the questions and sent them to the schools. In the past club members would go to the school and present the award, but the school chose not to have outsiders in this year.

4. How many non-Rotarians benefitted from this project? Thirteen students received scholarships.
5. What are the expected long-term community impacts of the project?
Having the Rotary Club visible in the community while helping and encouraging our young adults. I am confident the long-term community impacts will continue on.
6. If a cooperating organization was involved, what was its role? N/A
7. How did you share the news of your project?
We hosted a luncheon for our students and parents. We also have pictures on social media.
