Rotary Club of Southeast San Diego  
PO Box 740589  
San Diego, CA 92174-0589

Dear Ms. Ramirez,

From everyone at EIS, thank you for your generous donation of \$275 to support STEM learning scholarships. Because of kind people like you, EIS will provide exceptional STEM education in a safe and welcoming environment as students return to in-person learning.

EIS science camps and classes make learning fun and exciting. Hands-on experiences teach kids about science, technology, engineering, and math (STEM), giving children an opportunity to explore a wide range of subjects. After a year of learning online, children are ready to reconnect with EIS instructors and socialize with friends. We know that students will need extra care and attention and look forward to providing impactful experiences that nurture the whole child.

We are grateful to bring children back into the EIS Learning Center, to see their faces, feel their excitement, hear the sounds of their laughter and the exclamations of wow! We can't wait to watch science come alive for them because they make it come alive for us. When we open our doors to the children in our community, we open the doors to a world of wonder, science, and learning. Thank you for this opportunity. Please take care and have a wonderful summer of your own.

Sincerely,

  
James Stone
