

Rotary EClub of San Diego Global is pleased to report the completion of this District Grant P-4024, awarding 5 scholarships to qualified students for their college education first semester sophomore year 2022 in Guatemala. These students are the first in their respective families to finish high school and attend the first year of college. The funds have gone to admission fees, tuition and internet access. Other contributions to their education, including second semester freshmen year tuition, admission fees, laptops, Microsoft Office and books, were supplied from a group of women who are members and friends of RECS DG.

Four students attend the Universidad Rafael Landivar in Antigua, studying business administration, and one, Universidad Mariano Galvez de Guatemala in Guatemala City, studying engineering.

Guatemala was hard hit by the pandemic and is slow getting vaccinations and their economy back. These students had a thriving tourism business before the pandemic. They will, no doubt, bounce back with the advantage of a college education, creating a positive future for themselves, their families, and their community. Because of the continuing problem of the pandemic, they all are still doing distance learning and the laptops, software and internet access are a necessity for attending classes.

Here is the breakdown of the Grant Expenses

Student	Admission Fee	Tuition	Total Quetzales	Total Dollars 7.6 exchange
Cindi	325	2000	2325	306
Nallely	325	2500	2825	372
Oscar	325	2000	2325	306
Victoria	325	2500	2825	372
Reyna	670	3672	4342	571
TOTALS	1970	12672	14642	1927

Internet Access Fees Total: $462 \times 5 = 2310Q = \$303$

TOTAL SPENT: $A \$1927 + 303 = \2230

TOTAL IN DOLLARS PAID WITH GRANT MONEY: \$2000

Attached: Accounting (Antigua, Guatemala) Accounting shows that the Madrina contributors made up the difference of the total costs of education – part of Internet access \$230 plus Microsoft Office licenses, books, laptops repairs.

Attached – other documents: receipts for internet access, matriculation fees and tuition fees.
