Dear Benay, Lisa and Rotary Club Members,

The City of Wichita Falls Parks Department would like to express our sincere thanks to the Rotary Club for the generous donation of \$53,000.00 for funding the new playground that will be installed in Rotary Park early 2022. This is a very popular park every evening with youth soccer teams practicing. Parents and other siblings are left to just sit and watch. The new playground will be a welcome addition to the area giving the young ones a place to occupy their time and parents a much needed respite. I would especially like to thank Lisa Stephens Musick and Benay Ayres for helping with the design, picking colors and site decisions, we had fun working together. Here is a sneak peek of the rendering. I am sure everyone will be more impressed when we have it installed.

Sincerely,

Terry Points
