**RE: WIRED FUND ACKNOWLEDGEMENT AND APPRECIATION**

We acknowledge and appreciate the receipt of your generous donation of US \$500 through wire transfer. The funds will strictly be applied to youth mentorship program at Ilumya village.

The impact of COVID – 19 has been devastating in this region and has left very many unemployed youths in vulnerable positions of exploitation. We appreciate your continued support; your support will go a long way in making our mentorship program have a lasting impact on our vulnerable youth and single mothers.

Thank you for your donation and may God bless you.

Sincerely,

  
Lucy Mutuku.

SECRETARY.
