Rotary Club: Rotary Club of Arlington Sunrise

Project Number: P-4057

Project Title: Christmas Stockings

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The total number of stockings stuffed was approximately 1200 to account for all the students at Thornton and Anderson. Additionally, there were about 140 food baskets put together for distribution to certain parents of students. Also, there were 170 "goodie" baskets distributed to teachers and school staff members. The assembly of the stockings and baskets took place at Thornton. This was done by Rotarians, family members and some of the Thornton staff.

2. How many Rotarians participated in the project? 50

3. What did they do? Please give at least two examples.

Assembled and stuffed stockings and baskets.

Participated in the distribution of the stockings and baskets.

4. How many Non-Rotarians participated in the project? 30

5. What are the expected long-term community impacts of the project?

The major impact is that a great number of needy kids had a Christmas experience during the most trying of times – as did teachers and student families.

This is absolutely a great project. The positive impact on the kids is electrifying and all Rotarians, family members, and school staff who participate fully appreciate the value of the project.

It is money well spent.

6. If a cooperating organization was involved, what was its role?
