Richard Makau, The Rotary Club of El Cajon Sunset  
C/o P.O. Box 740161  
San Diego, California, USA

Dear Mrs. Matthew,

Thank you for your donation of the two computers and the training of the staff. Chemu Senior High School look forward to the additional computer lab furnishings over the next three years under the Sister City International's West African Computer Initiative (WACI) Project.

Considering we would not be a part of this project without the Rotary Club of El Cajon Sunset matching your Societies, please make it known to them that their support of our school is so greatly appreciated.

Again, thank you for your generous contribution and we look forward to working with you over the next three-years through the WACI Project.

Sincerely,

Mr. Ebenezer Pobbe  
Assistant Headmaster  
Chemu Senior High School

Cc: Richard Makau
