Dr. Barry Aldredge  
President, HEB Rotary

Dear Dr. Aldredge,

Northeast Emergency Distribution has been serving the 17 zip codes of NE Tarrant County for over 35 years. One of the valuable services we provide is transportation vouchers for folks to get to and from work, job interviews or medical appointments. We provide these via an annual contribution we give to Catholic Charities. They, in turn, provide all of the vouchers we need for a year. NEED will provide transportation vouchers for around 300 people this year with the contribution Rotary gave us.

Thank you very much for your gift of \$1,816 to NEED to help pay for transportation for needy people in the area. Rotary's partnership with NEED is an example of many hands doing very good work together.

God bless you and thank you again.

Sincerely,

Bob Sarpalius  
NEED Treasurer
