The Mid-Island Rotary has made the Good Counsel Homeless Pregnant Women's shelter one of our priorities to assist this fiscal year. Thus far, during the recent holiday season, we've donated previously loved items in excellent condition to the shelter such as baby clothing and a child's high chair. For the new year, we purchased new bed linen for each woman at the Staten Island shelter of Good Counsel. The bed linen sets include: a set of bedsheets, bed shirts, pillow cases, shams and a reversable comforter. We purchase ten sets, one for each current resident and one for the incoming resident. Each linen set varies in style to allow each woman at the shelter to choose the set which matches her own personality. It was our hope that this would help increase the women's self-esteem. These bed linens will belong exclusively to each individual and she

can take it with her once she leaves the shelter for permanent housing. In addition, we purchased individual pillows and towel sets for each woman in varying colors to allow them to match their bed linen or their personal preference; again, providing them with varying colors to help the ladies feel empowered with new items of their very own they can keep. Please check out some of the pictures provided to see items purchased.
