

The Mid Island Rotary was proud to present the residents of Good Counsel Pregnant Women’s Homeless Shelter on Staten Island with blankets, bed linens, towels, pillows and more on Thursday, February 10. Mid-Island Rotary is dedicated to assisting our community and helping various organizations on Staten Island throughout the year. You too can join our efforts to support our community by participating in one of our fundraisers, making a donation directly to the Mid Island Rotary of Staten Island NY.

Live with **ROARING** passion,
