

2021-22 DISTRICT GRANT PROJECT FINAL REPORT

Grant # P- Progress Report Final Report Date

Project Title:

Club Name:

Project Description:

1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?

Rotarians from 8 rotary clubs collectively helped with the funds required to purchase Mobile Water Filters that could filter water in the field and solar lanterns that could provide light where electricity is lacking, especially for homes with school childrens. These items were identified as high priority items by the local communities and the rotary club in Haiti. The water filters were completed as of 4/1/2022 and the Solar Lanterns were completed by 4/28/2022

2. How many people benefited from this project?

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

Village communities with school children that were identified by the the Pettionville Rotary Club in Haiti. Water filters were transported to Haiti and delivered on foot to villages where the community members lacked access to clean water. Training was offered to the community members on how to use the filters. Solar Lanterns have been delivered in order to provide access to light within

4. How many Rotarians participated in the project?

5. What did they do? Please give at least two examples, not including financial support provided to the project.

Assembly of the project, team to procure the water filters and solar lanterns and manage the logistics of the getting the items in the hands of the villagers. A member of the Rotary club in district 7230 travelled to Haite and had carried the water filters and met with the Rotarians of the Pettionville Rotary Club in Haiti and they travelled on foot to reach the school childrne and villagers identified by the local RC. Training sessions were held showing the villagers how to use buckets

6. If a cooperating organization was involved, what was its role?

Sawyer company helped with the portable Water Filters and Luminade company helped with the portable Solar Lanterns that could be used by the villagers and community members. Also Pettionville RC in Haiti offered local transportation and buckets that were used to collect water for filtration.
