May 2022

The Port Chester – Rye Brook Rotary Club

111 Bowman Ave

Rye Brook, NY 10573

We would like to take this chance to express our sincere "Thank-you!" The Salvation Army of Port Chester received a donation from **The Port Chester - Rye Brook Rotary Club** to purchase winter jackets for adults, youths, and children in the Port Chester community as part of the matching District grant they received. We received a donation of \$4,470.00 and purchased 209 jackets. The jackets have been distributed to members of the community.

We continually strive to make every donation count by stretching our resources and reaching as many people as we possibly can. The Port Chester - Rye Brook Rotary Club have helped us in our efforts, and blessing those in need with new winter jackets and coats in this hardy wintertime.

During these unprecedented times, our focus has been to come to the aid of the many community members who have been hit the hardest by this pandemic. In coordination with Village officials, clubs, volunteers and several local organizations, we have offered Food Pantry to ensure that the immediate needs of the community were and continue to be met.

To date, in 2022, we have served 32,000 community members, due in part to the continued support of individuals like you. Each family received enough food to last 4-5 days. Plus, bags of groceries which include produce, frozen meat, milk, bread and hot meals, and thanks to The Port Chester - Rye Brook Rotary Club we not only put food on their plate but give a winter jacket to protect at cold time.

The opportunity to deepen our commitment to the less fortunate and meet their needs is growing everyday. We're up to the challenge as long we have the support of such special people like you!

We only do what we can do with the help from friends like you.

Thank you for being a vital part of our community and for your continued support.

God bless and keep you safe
