

Le Mars Rotary succeeds in packing a pallet

LE MARS — Le Mars Rotarians along with spouses and friends recently packaged more than 70 boxes of meals

for Then Feed Just One® project as a part of a Rotary Foundation grant program.

Then Feed Just One

vitamins needed in the bodies of children who are malnourished and hungry.

The food once it arrives in Honduras in Central America will provide 13,860 life saving nutritious meals for starving children in orphanages, children homes and schools.

The Le Mars Rotary Club was pleased to partner with the Le Mars organization, Then Feed Just One. The club will learn when the pallet arrives at its location and consider it a successful

service project meeting one of Rotary's areas of focus that being maternal and child health.
