Dear Le Mars Rotary Club,

Receipt: \$2,500.00 on 01/12/2022

Thank you so much for the purchase of supplies necessary to carry out a 'Then Feed Just One' food packing event in Le Mars on January 12, 2022. Your generous purchase and effort will help us deliver life saving nutrient rich food to more children suffering from malnutrition and illness in Honduras.

With far too many children in our world suffering needlessly from various forms of malnutrition, your purchase and work will make a tremendous difference. When children receive the nutrition they need, not only do they thrive, but their families and communities are blessed with stronger and healthier young people. The world is changing for the better – one child at a time.

Since 'Then Feed Just One' began operations in LeMars as a mobile food packing program we have packaged and shipped millions of meals to five different countries in the world. With continued support, there is no limit to what we can accomplish together, giving the incredible gift of life and hope.

Once again, thank you for your incredible kindness for taking the time to make this event a success. With your help we will be able to feed 14,256 children a good healthy nutritious meal.

Sincerely,

Richard E. Seivert
