

## TRUST IN

Our family of caregivers

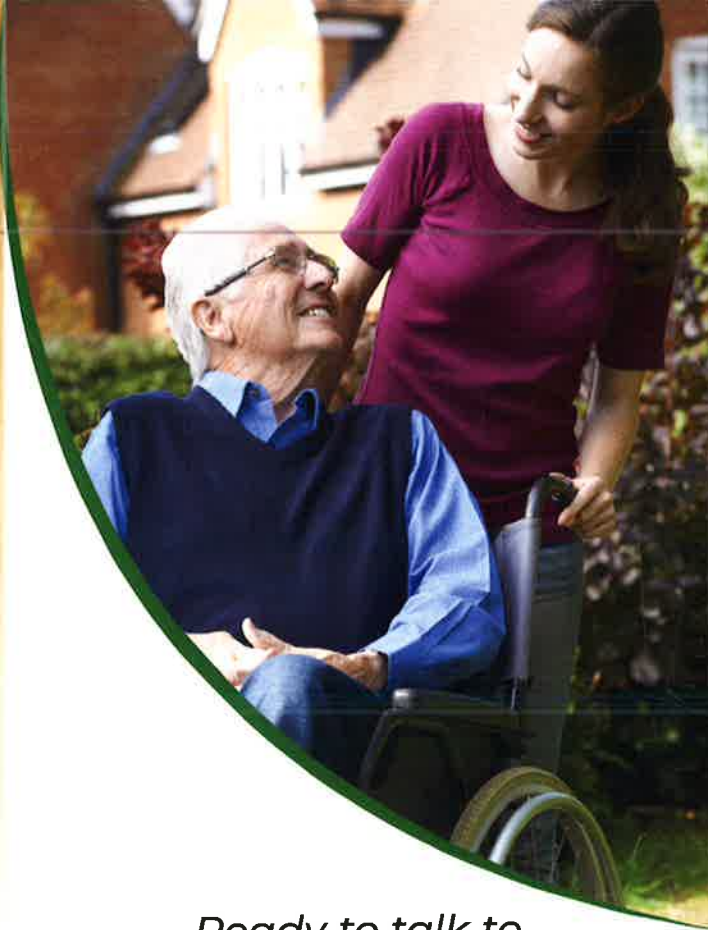

Rest assured that you can trust in our highly skilled and compassionate staff to watch over your loved ones. Goshen Care at Home provides specially trained professionals to assist our clients with daily living skills and personal care so they can stay in their homes.

Our staff of Certified Nursing Assistants and Personal Support Specialists will work with you to develop a Personal Care Plan listing the tasks to be completed at each visit. All of our services include a one time chart set up fee of \$50.

Goshen Care at Home is bonded and insured, and our caregivers are background checked and verified.

## BREATHE EASY

**We watch over your loved ones like family**

Take a break and allow us at Goshen Care at Home to take care of your loved ones like you would want to while you cannot be there.

At Goshen Care at Home, we know that some of the most valued people in our lives require special attention and dedicated care. As much as you want to be there to care for your loved ones, providing that care by yourself is not always easy. If you or a loved one need assistance, we are here to provide that little extra companionship and care that empowers them to maintain their independence and live their lives to the fullest.

## COMPASSIONATE CARE

**in the comfort of home**

Goshen Care at Home offers home care services that are versatile, flexible, and customized for your comfort, peace of mind, and well-being, allowing your loved one to safely stay in the comfort and familiar environment of their own home. We individually customize care plans to meet the personal needs of each and every one of our clients.
