Dear Rotary District 5400,

The new year is a celebration for many people, but it can be a difficult time for those facing hunger. After the holiday season ends hunger awareness can easily be forgotten. Your recent gift of \$4,589.00 will help our neighbors in need by providing them with nutritious food and hope for the new year.

As we work to feed, educate, and advocate for the 1 in 9 Idahoans who may be facing food insecurity, we rely on the generosity of people like you to help us fill the pantries of our 465+ partners. Our programs and partners distribute nutritious food across the state - food that provides the support to help our neighbors and our communities get through a tough time stronger and better equipped to take on the challenges of life.

We take our mission and your gift seriously. Careful stewardship ensures each dollar is used effectively in helping people live healthier lives. We greatly appreciate your trust in our mission to feed and strengthen Idaho communities throughout the state.

Thank you for providing hope this new year to the working families, children and seniors who need food assistance. As we head into a new year we wish you an abundance of health and happiness.

Happy 2022,

Karen L Vauk
