Dear Rotary Breakfast Club members,

Thank you for your generous donation to Community Entry Services. CES is the sole comprehensive provider for adults with intellectual disabilities and acquired brain injuries in Jackson. We strive to provide our clients with independence, dignity and respect through our residential services, vocational supports, life skills training, and recreational opportunities.

Your donation, for ADA bathroom, put us closer to our goals and we are forever grateful! We are so blessed to live in such a supportive and inclusive community where people like your organization truly care.

With gratitude,
The CES family
