Rotary Club: Rotary Club of Decatur Project Number: P4170
 Project Title: Smoke Alarms

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

Smoke alarms were purchased for the Decatur Fire department. These alarms will be installed and monitored in homes in the county that request help. The club in conjunction with the fire department picked up the alarms and helped store them at the fire department. In the future rotarians will assist the fire department with installation of the alarms.

2. How many Rotarians participated in the project? 12

3. What did they do? Please give at least two examples.

As stated above the rotarians assisted with the purchase, receiving, and storing of the alarms and will assist in the installation of the items as needed. This is an ongoing project of the Decatur Fire Department.

4. How many Non-Rotarians participated in the project? 6

5. What are the expected long-term community impacts of the project?

The program is designed to provide notification to the home owners if there is fire in the home. The department will have a database that will enable them to check them yearly and will notify the department when the alarms need to be replaced as they have a 10 year life.

6. If a cooperating organization was involved, what was its role?

Financial Report (District must retain receipts of all expenditures)-The two yellow cells must be the same.
