Naperville, IL 60567

Dear Dr. Morrison,

The Naperville Education Foundation would like to thank you for Rotary After Dark's generous donation of \$368.00 restricted to the 2022 Holiday Giving Program. In addition, individuals from Rotary After Dark graciously donated a total of \$373.56 to the Holiday Giving Program and provided 12 gifts, valued at \$50 each. Your gifts make the holiday season brighter by providing for students in need.

NEF is inspired by the potential inherent in all children to thrive and be enriched by their experiences in school. The Foundation raises and grants funds for programs that enhance and enrich the educational life of all District 203 students.

Funds bring teachers' and students' great ideas to life through the Annual and Express Grant programs and remove barriers to learning through Kid Booster Anonymous and RISE. Funds also support each school's unique community through annual School Appreciation Grants and before and after school programs, including robotics programs at all 14 elementary and 5 junior high schools.

Your support of District 203 students is greatly appreciated. Thank you!

Sincerely yours,
