

**District Grant Report**

Rotary Club: San Clemente

Project Title: P-4277 Butterflies and Native Plants

☐ Progress Report ☒ Final Report

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The educational garden at Las Palmas Elementary School has received new native plants. This grant pays for educational signage regarding pollinators and these plants.

2. How many Rotarians participated in the project? 6

3. What did they do? Please give at least two examples.

San Clemente Rotarians helped with the Spring Garden Clean-Up at Las Palmas Elementary School, to assist in preserving the native plants educational garden at the campus. Rotarians also purchased and helped install signage in the garden to help educate students about the plants. Attachments are provided for more detail on the event and signage.

4. How many non-Rotarians benefited from this project? There are more than 200 students at the school and the signs will last for years.

5. What are the expected long-term community impacts of the project?

Greater attention to using native plants in home gardens, and in supporting butterflies and other insects in home gardens.

6. If a cooperating organization was involved, what was its role?

The school PTA, led by Julie Erickson, is responsible for the garden. We assisted in this project.
