Hi all,

Several of our Route 78 Rotary members have requested that I forward my schedule to everyone in our club. So, here is my April schedule. 2 things - please let me know if you prefer NOT to receive the schedule and two, please let me know if you can volunteer for any event as I do not update changes on the schedule. Please also note that the items with an * indicate busier events where volunteers would be helpful. I generally take pictures at every event and post them on Facebook. Please like my events and ask to become a friend to Educationbeginsinthe Home and to North County Informador.

Hopefully a lot of elementary schools will start inviting us to "all-school" events. We just spent 4 hours at Bonsall West Elementary School and gave away 600+ books in a 4 hour span that they brought every student/one grade level at a time into the MPR (our inventory is very high!).
