

2022-23 DISTRICT GRANT PROJECT FINAL REPORT

Grant # P-	4553	Progress Report <input type="radio"/>	Final Report <input checked="" type="radio"/>	Date	5/24/2023
Project Title:	Foster Teen Driving Project				
Club Name:	Port Chester - Rye Brook Rotary Club				

Project Description:

1. Describe the project. What was done, when, and where did project activities take place? If this is a progress report, what remains to be done?

This project is an alliance with a driving school to prepare aged-out foster youth to take drivers ed lessons and take the NYS road test. Most of the activities were communications with the road test program coordinator. Most of the driving lessons were in Yonkers. This is a developing project and the word of its existence is starting to spread. There are 2 more FTENs currently getting their permits.

2. How many people benefited from this project?

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

FTEN 1 used: 18 hours of lessons for 3 road tests.
FTEN 2 signed up for 4 lessons, but emergencies came up and he could not attend so we lost 3 of the four lessons.
The balance left is: 9 hours of driving lessons; 2 road tests and 4-5 hour classes.

4. How many Rotarians participated in the project?

5. What did they do? Please give at least two examples, not including financial support provided to the project.

Michael Goldstein coordinated the program with the help of one of his Board Members. Christian Sanchez oversaw the program as an independent Rotarian and coordinated with the driving school.

6. If a cooperating organization was involved, what was its role?

The Formula Driving School handles all of the lessons, tests and 5 hour courses.

Proposal for Driving Lessons:

Total Cost \$3595.00 for 5 students

Formula Driving School will provide each student with:

6 hours of private driving lessons (includes pick up and drop off)

5 hour pre-licensing class on the internet via Zoom

We will make the road test appointment and take student to road test (one of the 6 hours will be immediately before the road test as a final prep lesson)

In the event that there are students whose pickup address is more than approximately 20 minutes from Mamaroneck, the lessons will be 1.5 hours each, instead of one hour (4 lessons of 1.5 hours each).

The total of \$3595.00 is based on Formula Driving School donating the \$75.00 cost of the 5 hour class for 4 students.

Additional lessons if needed will be at a cost of \$98.00 per hour.

Thank you.
