

Dear Review Committee,

Our FTEN Driver Project was approved for 5 students however, due to various unforeseen circumstances, only one student was able to complete the driving course and obtain their license up to this point. The remaining lessons are still available to be used by additional students and in the coming months, we will be identifying individuals that are able to use them. If you have any further questions regarding the program, please don't hesitate to reach out. Thank you and kind regards from the Port Chester Rye Brook Rotary Club.
