Dear Parents:

Anchorage South Rotary Club is pleased to provide your students with their very own dictionary.

Our Club has provided dictionaries to every third grader in the Anchorage School District for many years. We believe in the importance of education and that children deserve the best teachers and resources. We hope this dictionary will be a useful tool to your student throughout their school career.

For those that may not be familiar with Rotary, we are one Club among eight other clubs in Anchorage and about 46,000 Clubs worldwide. Rotary is an organization of like-minded business, professional, and community leaders. We provide service to others and promote integrity, advance world understanding, peace, and goodwill through fellowship and projects.

Yours in rotary,
