Per RCSL Rotarian/PDG Gary Whiting, In 2007, State of Arizona Governor, Janet Napolitano was so enthusiastic about this Rotary project that she personally participated in an Mesa school presentation. In 2010, RCSK Rotarian Dwight Grotewold & Gary (then President of the Rotary Gift of Life-Arizona Foundation that provided 309 life-saving heart surgeries for needy children with congenital heart defects) obtained additional outside funding to assist in providing some 70,000 dictionaries across Arizona via the Arizona Rotary clubs & assisted by other interested groups.
