Rotary Chicago Near South

So much fun creating the centerpieces for tomorrows Thanksgiving Luncheon with the members of Rotary Chicago Near South. These rotarians are [#peopleofaction](#). Tomorrow, members of St James Church, Rotary, and Illinois Tech will host a thanksgiving luncheon for elderly members of the community. These centerpieces where made with so much love and care for the seniors to take home and enjoy. Thank you members of RCNS for your beautiful creations!

Thinking back to last months Ginny Picken Thanksgiving Dinner 

It was a day full of love, laughter and good music. Thank you to our Rotary Chicago Near South members, [Illinois Institute of Technology](#), [Illinois Institute of Technology \(IIT \) Office of Community Affairs](#) and [St James Church](#) for making this possible.
