CARLSBAD HI-NOON ROTARY CLUB 2024 SCHOLARSHIP RECIPIENTS

The Carlsbad Hi-Noon Rotary Club (CHNR) awarded \$42,000 in scholarships this week to students attending Carlsbad High School and Sage Creek High School. CHNRotary Club has raised these funds through a spring scholarship-focused raffle. All proceeds from the raffle were distributed to scholarship recipients this week.

The awards followed the club's Scholarship Team reading applications and interviewing students prior to this week's awards. Students were able to apply for college/university or trade/technical school scholarships and funds were distributed to both types of continuing education.
