Members of the Loveland Thompson Valley Rotary club shopped and delivered for winter coats to the McKinney-Vento Homeless Education Act liaison, Erica Wooldridge, at the Loveland school district, Erica distributed the coats to the most needy students in time for Christmas 2023. Fifty-two coats were purchased so fifty-one students received coats for this winter.

4. What did they do? Please give at least two examples.

Five Rotarians donated the matching funds and two shopped and delivered the coats to the School District. Family members of these two Rotarians also assisted in picking out the coats at Kohls.

5. How many non-Rotarians benefited from this project? 52

Fifty-two students received winter coats.

6. Who are the beneficiaries and what is the expected long-term community impact of this project?

The students who received the coats are from pre-school to high school. Each of these students is housing insecure and in need of assistance for basic needs. Besides meeting an immediate need of these young people, the students know that the community-at-large sees them and is willing to be of assistance. Hopefully these coats give them the message that we believe they are valuable members of our community.
