Edgewood Nursery

Order #2835 Confirmed

Your order from Edgewood Nursery is confirmed. I try to ship orders within 10 days and don't have facilities to hold orders. Unfortunately that means that if you order a bare root plant in the winter you may not be able to put them in the ground right away, they will need to be potted up and kept in suitable growing conditions or kept in cold storage with the roots damp until the soil thaws. If this is not workable for you, please get in touch

ASAP and I can cancel and refund your order.

Once your package ships we will send you a notification email.
