Rotary Club: Channahon-Minooka

Project Title: Sensory Garden and Pollinator Garden Rehabilitation

Progress Report Final Report

- Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?
On June 7, 2024, Rotarians and Park District employees gathered to rehab a plant area and add native plants for pollinators at the Arroyo Trails and Central Park Sensory Garden.
- How many Rotarians participated in the project? 10
- What did they do? Please give at least two examples.
Clean up plant debris and weeds and plant native plants in two different gardens
- How many non-Rotarians benefited from this project? All citizens who walk the trail and also children who will benefit from walking through a sensory garden ,such as students challenged in the Autism Spectrum.
- What are the expected long-term community impacts of the project? Continued growth of the gardens and educational opportunities that the Channahon Park District will provide to the residents
- If a cooperating organization was involved, what was its role? Channahon Park District orchestrated the project with the assistance of an Illinois Ext. Master gardener for a plant design of native plants
