Dear Villa Park Rotary Club,

Thank you for believing in the power of giving. Your \$5001.00 donation for the **Toy Run** is put to work right away and help local Veterans, Active Duty, and Reservists create the comfort and security of home. Your support helps Patriots and Paws expand its services, educate the public at community events, connect clients with companion animals, make donation pickups throughout Southern California, maintain the warehouse, and provide gently used household goods to the military community at no cost to them.

This year we have served 1635 Veterans, Active Duty, and Reservists. They include military families with young children, student Veterans, older Veterans, low income, previously homeless, or affected by wildfires and other local disasters. Our most recent client survey showed an average response of 4 out of 5 in believing their experience at Patriots and Paws increased their financial confidence and decreased their stress levels.

Patriots and Paws also strives to have an animal kennel for pets of Veterans, Active Duty, and Reservists. This kennel will provide a safe option for those who have a significant need—bridging the gap of low income, pressing medical issues, or deployment.

To see your impact in action and to keep up to date on events, please visit us at www.patriotsandpaws.org or follow us on Facebook.

Patriots and Paws is a 501 (c)(3) organization. Your contribution is tax deductible to the extent allowed by law. We advise you to keep this acknowledgement of your donation for your tax records. No goods or services were provided in exchange for this donation.

Your trust and partnership are deeply appreciated. Thank you again for honoring Veterans, Active Duty, and Reservists and helping them gain greater peace of mind.

Sincerely,

Penny Lambright
