

NOTE TO FILE – DDF ADJUSTMENT FOR DISTRICT 5320 2024-25 DISTRICT GRANTS

Date: August 2, 2024

Club Name: Irvine

Project #: P-5256

Project Title: Foster Children Supplies

On July 24, 2024, District Governor Chris Skorina and District Foundation Chair Kevin Padilla provided an updated DDF list based on the funding available from The Rotary Foundation, which differed from the District's original estimate.

To manage this, rather than asking each club to resubmit their project, it was determined that the District Grants Chair (Gillian Bradshaw) (with input from each club) would upload a Note to file on the Documents tab for each project, providing the new DDF, club contribution, and total project cost.

For Irvine, the updated DDF for all projects is now \$5,235. It was determined by the club that this funding would be applied to their other project applications (P-5257 RYLA, P-5253 Stop the Bleed Training, and P-5162 Ensenada Dental and Vision Clinic) and that this project would no longer be funded using DDF.
