Dear Newport Balboa Rotary Club,

Dear Newport Balboa Rotary Club,

Thank you for your generous donation of \$2,500 to the Environmental Nature Center.
We are deeply grateful for your support and your thoughtful gift.

Your contribution will directly support the restoration and enhancement of native habitat at the ENC, including the planting of carefully selected native trees that provide food and shelter for local wildlife and enrich the visitor experience. These trees are more than just part of the landscape — they form the living walls of our outdoor classrooms and serve as essential teaching tools that help us inspire and educate thousands of students each year.

Your support helps us cultivate curiosity, spark a love for the natural world, and foster environmental responsibility among learners of all ages. On behalf of our Board of Directors and dedicated staff, thank you for helping us grow a greener, more sustainable future for our community.

Gratefully yours,
