Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)?

Scholarship funds were submitted to the Rotary District 5405 treasurer for scholarships to Junior RYLA Camp taking place June 11-14, 2025 outside Prescott, Arizona at Camp Wamatochick. (Receipt attached)

Who were the beneficiaries? 17 Middle School students from Sedona Red Rock Middle School who have applied to attend

2. How many Rotarians participated in the project? 3

3. What did they do? Please give at least two examples. Rotarians worked with the school counselor to get students nominated by the faculty and then invited to apply; Promoted the camp to students and parents at an information night; Presented to the Rotary Club board seeking and attaining approval to fund 3 students and apply for a grant to fund an additional 9.

4. How many non-Rotarians benefited from this project? 9 middle school students and their 18 parents plus a school full of students whose culture will be changed by so many newly empowered student leaders who will have attended Junior RYLA.

5. What are the expected long-term community impacts of the project? Year after year we see how students change from the impact of RYLA. After last year's Junior RYLA, parents raved about how their children were empowered, brave, confident...even saying they got their child back because they had previously become withdrawn. We develop our future school and community leaders with our RYLA camps.

6. If a cooperating organization was involved, what was its role? The Middle School counselor and principal went to teachers for nominations, they sent invitations letting students and parents know the student had been nominated and encouraging them to apply and they attended the parent/student info night to encourage attendance at Junior RYLA and promote the program.
