

825 of the cards below were placed in the purses, backpacks and drawstring bags filled for women, men and children living in four separate sober living facilities on December 14, 2025. The bags were filled with toiletries for women and men with the children receiving coloring books and small plush animals.

These cards were created to spread awareness of Rotary Club of Scottsdale North and Rotary in general as well as letting the recovering individuals know they are cared for.

Contents of this Fresh Start Bag were made possible with donations from The Rotary Club of Scottsdale North
