Project Summary: Short sentence to explain the project. This project description should provide information about what activity is being funded, who is benefitting from the activity, and the name of the location of the project or activity, including the city or country. For example, "Five computers provided to schools for children in Addis Ababa, Ethiopia."

Transportation support for needy families in 13 zip code area in and around Hurst, Euless and Bedford, TX

Project Description: You should include what needs have been identified, how the project will meet those needs, and the timeline for your project. Please specify what the project funds will be used for and how club members will be involved.

The Transportaton Support Project will support the work of the North East Emergency Distribution (NEED) in helping families in crisis situations in the area. NEED will pay for and give Transportation Vouchers to area transportation to Work, Interviews, Medical appointments and other critical family situations. Funds will also be used for transporting food and materials from donors to NEED for distribution to families. Costs will include fuel, vehicle maintenance and insurance.
