

DISTRICT 5630 GRANT REPORT

Rotary Club: Holdrege

Project Title: Backpack Project P-831

Progress Report Final Report

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

The Backpack Blessings project began through the efforts of a YELP Leadership student. This student wanted to identify grade school children in our area who would benefit from having a 'backpack' of food sent home with them on the weekend. They estimated that 65 students might sign up for this program and, to date, 85 are enrolled. Once per month volunteers and church organizations get together to stuff the backpacks. The food is delivered to the backpacks in each student's locker on Fridays.

2. How many Rotarians participated in the project? 5

3. What did they do? Please give at least two examples.
The Holdrege Rotary Club will take a turn in the future but out date has not been assigned.

4. How many non-Rotarians benefited from this project? _____

5. What are the expected long-term community impacts of the project?
Backpack Blessings hopes to help children in need to have adequate nourishment over the weekends during the school year. There are children in our school system who receive little nourishment during the week outside of school breakfast and lunch.

6. If a cooperating organization was involved, what was its role?
The Holdrege Mount Calvary Lutheran Church agreed to be the host site and host organization for this project. The Rotary Club of Holdrege and other organizations and school students have agreed to volunteer to stuff the backpack. The food bank of Nebraska has contributed some of the food and 60 (of the 85 needed) backpacks were donated. Other individuals and service clubs have contributed to this project.
