The President
Rotary Club of T-Nagar
Chennai.

Dear Sir,
Namasthe.

**Sub: Request for financial assistance to build and equip
Schools run by us on non-profit basis with service motto.**

We take this opportunity to appreciate your social commitment of selfless service for the economically poor and upliftment of the less privileged.

As per the former president APJ Abdul Kalam's pet theme PURA – Providing Urban facilities in Rural Areas - in our School, we are trying to provide the maximum possible modern facilities to the student community by making the environment conducive for learning.

We facilitate the process of providing quality education to the needy and poor in the rural areas of Thiruninravur town in Thiruvallur District, at affordable cost. We request you to lend a helping hand with financial support for providing REQUIRED Infrastructure for Laboratories (Physics and Biology), and 6 class rooms to be constructed in the First Phase of the upcoming Higher Secondary block of our school.

We are pleased to enclose the following Quotations soliciting your favorable reply.

We will be too happy to furnish you further information or clarification on hearing from you.

Thank you, sir

Yours in the service of education,

(A. SUKANYA)
